

WHY JOIN ACEC/MICHIGAN?

“ ACEC/Michigan is committed to providing a competitive advantage to its member firms in the marketplace.”

- Ron Brenke,
PE | Executive Director

American Council of Engineering Companies (ACEC) is an association of consulting engineering firms representing every discipline of engineering related to the built environment:

- Civil
- Structural
- Environmental
- Mechanical
- Electrical
- Geotechnical
- Surveyors
- Architects

Members include a diverse group of companies from across the State of Michigan ranging from **sole proprietors** to **multi-national firms** that employ over 7,000 Michiganders. Our shared goals are to further the business interests of our membership.

VISION

ACEC/M membership will be considered essential by elite engineering firms of any size serving the natural and built environment.

- Networking with members and client organizations
- Partnerships with client agencies
- Strategic partnerships with other professional organizations
- Promotion of your business and the consulting engineering industry
- Legislative and political advocacy
- Access to current industry and business information
- Executive and employee training programs
- Approved continuing education programs
- Awards and scholarship programs
- ACEC National Membership
- ACEC Business Insurance Trust
- ACEC Life/Health Insurance Trust
- ACEC Retirement Trust
- ACEC publications

“My involvement with ACEC/Michigan has given me the opportunity to make lasting connections with professionals and engineering firms across the state, as well as stay involved with issues that affect our industry.”

Lauren Roller, PE
Associate, Structural Engineering | HED

EVENTS AND SEMINARS

ACEC/M offers a variety of events that benefit our members by sharing information, providing technical training, promoting the industry of consulting engineering and creating valuable networking opportunities.

Visit our events calendar online for details.

COMMITTEES

Engaging in ACEC/M committees provides a unique opportunity to work alongside ACEC members and government agency personnel to address important industry matters.

- Business Practices
- Engineering and Surveying Excellence Awards
- Marketing
- Joint MDOT/ACEC Committees
- Vertical Construction Committee

LEGISLATIVE

ACEC/M develops a legislative agenda each year to address the issues affecting engineering companies. Our government relations program focuses on advancing issues that improve the business environment for Michigan engineering firms.

- Infrastructure investment
- Qualifications based selection (QBS)
- Liability Reform
